ATHLETE's STATEMENT TO COMPETE

Please enter me in the **European Masters Weightlifting Championships to be held on 17th May – 24th May 2014 at Kazincbarcika, Hungary**. I certify that I am an amateur in good standing. In consideration of my entry in the competition, I do hereby waive, and release the 2014 European Masters Weightlifting Championships Organiser (hereafter referred to as the “**Organiser**”), the European Masters Committee (hereafter referred to as the **EMC**), their directors, and associated personnel from any and all causes of action, loss, liability, claims, and demands of every kind and nature which I or my heirs or personal representatives may have for bodily injury and expenses of medical treatment.

I agree to be filmed and photographed under conditions approved and authorised by the Organiser and EMC to include the use of my name, biographical information, public appearances, interviews, photographs, portrait and motion pictures and television recordings of my weightlifting performances, and grant to the Organiser and the EMC. the right to record and make use of the same, and to authorise others to do so in promoting the competition and the success of the weightlifting team on which I compete, to promote the image of the Organiser and the EMC., their sponsors and advertisers, and the sport of amateur weightlifting, and to fund the activities of the Organiser and EMC..

I agree that the Organiser, the EMC and their agents, including competition personnel, may make judgements (with appropriate input from available medical personnel), as to my treatment, hospitalisation, or other medical care in the event of my illness or accidental injury in connection with my participation in the competition should I be disabled or incompetent to make necessary and appropriate decisions concerning such treatment, hospitalisation, or other care.

I authorise the Organiser, the EMC, their agents and competition personnel to make decisions for me as though they stood in a relationship to me of parent, guardian, or next of kin should circumstances require the Organiser, the EMC, their agents and competition personnel to make judgements, and my next of kin cannot be timely and conveniently contacted to participate in the making of such judgements. I hereby release and agree to hold the Organiser, the EMC, their agents and competition personnel harmless for all expenses, causes of action, liability, claims, and demands arising from good faith judgements made by the Organiser, the EMC, their agents and competition personnel concerning my treatment, hospitalisation, and medical care in the event of my illness, injury, and other emergency circumstances in connection with the competition.

I agree that I will be financially responsible for treatment and other medical care rendered me in the event of my illness, injury, or other emergent circumstances in connection with the competition, except to the extent of my injuries, and medical expenses, if any, are covered by accidental death, dismemberment and/or loss of sight and medical reimbursement insurance policies, maintained by the Organiser for my benefit, in which event I will nevertheless continue to be financially responsible for expenses of treatment, hospitalisation, and other medical care in excess of such policies' limits.

Further, I declare that I agree to the contents of the current IWF MASTERS RULEBOOK, especially to ALL IWF and WADA Anti Doping Policies. **(DRUG TESTING WILL BE DONE AT ALL EUROPEAN MASTERS WEIGHTLIFTING CHAMPIONSHIPS AND MAY BE IN COMPETITION OR OUT OF COMPETITION)**

I agree to be bound by the Masters rules and declare that I am physically fit to undertake the sport of weightlifting and have no knowledge of any medical condition which will make weightlifting contra-indicated to my well being.

I accept all such conditions :-

FOR THE ATTENTION OF ALL ATHLETES

*** IMPORTANT ***

Specific information on anti doping – please read and be aware !

- **Do not mail your TUE Form with your entry, it is your personal document, you will only need it if you are selected to attend doping control at the championship.**
- Only you are responsible for any item of food **or medication** you put into your mouth.
- The European Masters Committee (the EMC) will conduct doping control at every European Masters Weightlifting Championship. Anyone using banned substances will eventually, at one time or another, find that they are selected for testing.
- It is possible to find the list of banned substances from your own Federation or from the IWF or WADA (World Anti Doping Agency) websites.
- At all European Masters Championships the EMC intends to run educational seminars to help athletes and to enable them to understand that if they are taking prescribed medication they can still test positive. The seminars are designed to help athletes taking prescribed medicine, but we urge all athletes to attend at least one seminar.
- Athletes selected for doping control **must** declare **every** item of medication, vitamin, or supplement, e.g. aspirin, paracetamol, creatin, and all prescribed or non prescribed medication. Failure to do so might be disadvantageous if the athlete gives an “adverse finding”.
- At this moment in time many Master athletes must take medication for their well being and it is recognised that everyone has the right to be ill and take medication for the care of, and to cure sickness.
- The medication causing most problems is the medication used for the treatment of stress and high blood pressure. These medicines come under a variety of names and are mostly **diuretics** and therefore mostly on the banned list.
- If you are being prescribed this medicine (and others) by your doctor and your doctor will not prescribe an alternative medicine that is not on the banned list then you must complete an **IWF Masters TUE**. You should also have a medical certificate completed and signed by your doctor **in English**. A TUE is a Therapeutic Use Exemption form which enables your doctor to enter the details of the prescribed medicine and for him to sign it and date it. It can be found with this entry form or you will be able to get one from the current Championship Organising Committee.
- You must bring the completed IWF Masters TUE form and medical certificate with you to all championships just in case you are selected for testing. These will be used for verification purposes should you give an “adverse analytical finding” if tested.
- It is not necessary to complete a TUE form if you are not taking any prescribed medication.
- **It is not the intention of the EMC to persecute Masters – only to help, but first of all you have to help yourself and you must cooperate.**
- **Always remember – if you take drugs to enhance your performance, you are a cheat !**

THERAPEUTIC/INADVERTENT USAGE OF BANNED SUBSTANCES

Participants subjected to drug testing who give an adverse analytical finding for the use of a banned substance or substances, and who have a medical certificate issued to them by a qualified medical practitioner may:

1. Refer the medical certificate to the appointed Anti-Doping Commission hearing.
2. Provide additional verifying facts and information that may support the particulars in the medical certificate and substantiate the use of such banned substance or substances by the participant for therapeutic and/or medical purposes only.

The IWF Masters Anti Doping Sub Committee expect all participants selected for drug testing who are using therapeutic medicine to submit an IWF Masters TUE Form (see form attached) and a medical certificate from their doctor to the Doping Control Officer at the time of the test. The IWF Masters TUE Form and the medical report are valid for three (3) years from the date of issue.

The IWF Masters Anti-Doping Sub Committee may at its discretion seek the advice and assistance of the appointed qualified medical practitioner to enable a decision to be reached in the hearing. Where therapeutic/inadvertent use of a banned substance or substances is proven, the IWF Masters Anti-Doping Commission may:

1. take no further action,
2. provide counseling and take no additional action, or
3. impose a suitable sanction.

Note: The refusal by a participant to provide a sample will make any medical certificate inadmissible.

EDUCATION:

The IWF Masters will promote the education of Masters participants with regard to drugs in Sports. In particular, the IWF Masters will affirm that no one should cease taking prescribed medication to compete in any IWF Masters sanctioned event unless their personal physician recommends they cease the medication.

IWF-Masters Anti-Doping Committee

Therapeutic Use Exemptions valid for three (3) years
